Black Exterior/Black Interior   **Black Exterior/Black Interior**
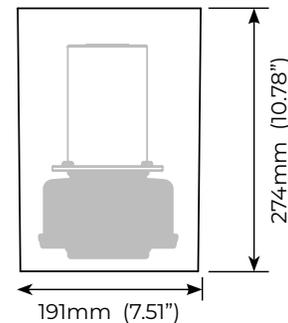

* Inquire for custom finish

Features

The optional reflector is available to create a traditional high-bay aesthetic. However, these reflectors are not needed and its installation does not substantially alter the light distribution. The Filamento lamp has integral optics that create a cutoff at 50°, eliminating glare so an external reflector is not required.

• Solid aluminum reflector
• Reflectors are vented to allow for airflow
• Compatible with all ADP mounting bases
• Compatible with all VA6 mogul base lamps
• Easy to install - Simply twist and lock assembly to ADP mounting bases, no tools required
• Optional diffuser, drop lens, wireguard accessories
• ADP mounting bases are sold separately
• See website for Installation Guide

Mechanical

• 0.54 kg / 1.2 lb
• Solid aluminum body
• Inquire for custom colors

274mm (10.78")

191mm (7.51")

7" Cylinder Reflector shown with VA6 Lamp
